

# Investing for Success

**Under this agreement for 2022  
Westwood State School will receive**

**\$7 782\***

## **This funding will be used to**

- Provide targeted literacy intervention for students from Prep – Year Six. Supporting our medium term goal of having 90% of students achieving a C or above for English, Maths and Science.
- Improve student outcomes against the Australian Curriculum Achievement Standards, standardised testing and diagnostic assessments through implementing targeted intervention programs.
- Provide support in the effective implementation of the Australian Curriculum. Supporting the School's short term goal of students clearly articulating what they are learning.
- Improve student outcomes and engagement under the National Quality Framework for the School's State Delivered Kindy.

## **Our initiatives include**

- Provide additional teacher aide support in the provision of quality educational programs for our Kindergarten to Year Six multi-age setting.

## **Our school will improve student outcomes by**

- Supplementing the employment of Teacher Aide in providing support students in Kindergarten through to Year Six. (\$7 782)
